SENATE MARRIAGE BILL DECLARES WAR ON AMERICAN PARENTS – SUZANNE BOWDEY. NOVEMBER 15, 2022

<https://washingtonstand.com/commentary/senate-marriage-bill-declares-war-on-american-parents>

The second Joe Biden’s pen hits the paper to sign H.R. 8404 into law, the microphones across the country’s local school boards meetings — the same ones that thousands of moms and dads have used to speak their peace — would be turned off...The bill

itself threatens, “The Attorney General may bring a civil action in the appropriate United States district court against any person who violates subsection (a) for declaratory and injunctive relief.” In other words, if you hold the belief that marriage is the union of a man and woman — the mainstream view for all of human history — and stand in the way of the Left’s redefinition in any way, the full weight of the Justice Department will be brought to bear. As if that weren’t enough, a private right of action — meaning everyday citizens can sue based on some perceived violation of their rights — is encouraged for anyone “harmed” by your biblical beliefs. Carrying that out to its logical conclusion, parents who object to graphic or inappropriate curriculum in the classroom would be targets. If people thought the “domestic terrorism” label was bad, this legislation effectively turns every same-sex marriage enthusiast into an agent of the DOJ.
