Texas Church Conquered: Converted to Radical Dawah Seminary by Banned Imams Pushing Sharia Conquest

Development of Potential “Sharia City” in Kaufman County Ends Following Investigation by Attorney General Ken Paxton

Following an investigation by Attorney General Ken Paxton, plans for development of a potentially unlawful “sharia city” community in Kaufman County have ended.

In early February 2026, residents raised concerns about a foreign-based development company’s plan to purchase thousands of acres near Kaufman, Texas. The developers’ plan to create a “sustainable city” with the potential to house as many as 20,000 foreign nationals alarmed the surrounding communities. Not only could the influx of tens of thousands of foreign nationals into rural Texas pose national security risks, but residents also feared the strain that such a development could place on the local water supply.

On February 9, 2026, Attorney General Paxton announced his office’s [investigation](#) into the potentially unlawful “sharia city” development in Kaufman County. As part of the investigation, Requests to Examine (“RTEs”) were sent to developers, including a U.S. subsidiary of the Dubai-based development company SEE Holding.
